

AI Tools

Age Group: 8–16 Years

Duration: 8 Weeks | 2 Classes per Week

Mode: Online (Live & Interactive class on Zoom)

Offered by: AVEX (A Project of Avastus Automation)

Learning Objectives:

- Understand what AI is and how it's used in everyday life
- Explore popular AI tools in a safe, age-appropriate way
- Use AI to boost creativity (writing, art, video, music)
- Learn basic digital skills through guided experimentation
- Practice safe and responsible AI use
- Build confidence with technology and innovation

Course Contents

- Introduction to Artificial Intelligence
What is AI? Where do we see it in daily life?
- Fun with AI Chatbots
Using tools like ChatGPT to ask questions, write stories, and learn creatively
- AI Art & Image Creation
Create cool digital art using AI image generators
- Voice & Audio Magic
Explore AI that clones voices, makes music, or narrates stories
- Text-to-Video Tools
Turn written ideas into animated videos with AI
- Creative Writing with AI
Use AI to co-write poems, dialogues, and fun stories
- Safe & Smart AI Use
Learn what's okay to use, privacy tips, and being a responsible AI explorer
- Final Creative Project
Kids build an AI-powered presentation, artwork, or story and present it to family

-----Best of Luck-----
